ANTHONY FIRTH - General Manager

Anthony Firth is the owner and principle RME for **Discount Windows Installations**. Anthony has been in the construction industry for over 15 years. In 2007 he completed training and certification programs covering all aspects of window and door installation. Anthony is certified by OSHA, AAMA and has completed courses in Lead Paint removal and other relevant certification courses.

Anthony oversees a team of twelve trained and dedicated installers but treats each project like he would his own home.

THE BEST INSTALLATION

Lifetime Installation Warranty: Installations are warranted for **lifetime** against installation defects to the original purchaser of Makai products from Discount Windows & Doors.

Materials: We use the highest grade caulking and installation materials, suitable for Hawaii's climate.

Technique: We remove and replace the existing window structure to maximize window size.

Removal: Construction debris is removed from the site.

Discount Windows Installations is licensed and insured.

SERVICE LIKE NO OTHER

Stainless Steel Hardware is used to minimize rust and corrosion.

Corrosion Block is applied to all hardware **before** installation, significantly extending the life of all stainless steel hardware. Customers are given a bottle of *Corrosion Block* for ongoing protection against corrosion.

About Us
